# WHAT IS PTAC?

## Parent Teacher Advisory Council

*The PTAC membership includes parents, teachers, a school board representative, and our principal. We meet monthly in the Media Center during the school year.*

*Through our meetings and activities, the PTAC achieves the following benefits of our children:*

- *Increases communication between the school and parents.*
- *Allows parents the chance to discuss school issues and express valuable opinions that will affect their child's education.*
- *Raises funds which help provide equipment, materials, & activities that support learning.*
- *Provides assistance with school functions.*
- *Offers parents a great way to interact with one another in a fun, social setting.*

*Come and be a part of your child's experience at Reinertsen, share new ideas and have some fun!*

***See you at the meeting!***
