- e. Any deductions shall be made on the following monthly check.

Once an employee reports for work on a storm day, they will receive pay for all hours scheduled that day. If school is called off before school starts, all twelve (12) month employees must work their regular hours, use personal leave, vacation leave, compensatory days, or make up the day.

**ARTICLE VII
COMPENSATORY TIME**

T.C.I. employees will be given a regular assignment setting forth hours and months within a school year. Any work performed over forty (40) hours in any workweek shall be overtime and shall be paid or have release time at time and one-half (1 and 1/2) rate. The Supervisor must authorize all hours worked in excess of the regular work schedule in advance.

Overtime rates are to be computed on an employee's total salary as used for tax deduction purposes, less any overtime pay.

The Supervisor and the employee may arrange for compensatory time in lieu of overtime.

**ARTICLE VIII
MANAGERIAL DUTIES**

Section 1. Discipline
All employees of the School District may, from time to time, have responsibility in disciplining students. The major responsibility for discipline lies with the building principal.

**ARTICLE IX
LEAVE PROVISIONS AND VACATIONS**

Section 1. Sick Leave

Subd. 1.
Employees will be granted sick leave at the rate of one (1) day for each month worked, cumulative to sixty (60) days. Employees hired before July 1, 2002 will be granted twelve (12) days per year. In this instance, "day" is defined as an employee's scheduled work day.

Subd. 2.
Unused sick leave days may accumulate to a maximum credit of sixty (60) working days of sick leave per year for full-time employees. For employees hired prior to January 15, 2011, once sixty (60) days are accumulated, they are renewed each year. Employees hired after January 15, 2011 are not eligible for the sixty (60) day renewal

Subd. 3.
Sick leave with pay shall be allowed by the School District whenever an employee's absence is found to have been due to illness which prevented attendance and performance on that day or days as defined in Statute 181.9413 and/or federal law, provided the employee has unused sick leave available at the time of absence. In the case of injury or illness to the employee's minor children;

in the situation where both parents are employed by the School District, only one (1) individual can use such leave unless there exists an emergency.

Subd. 4.

After an illness requiring four (4) consecutive days off, or anytime a pattern of usage indicates possible abuse of sick leave the School District may require an employee to furnish a medical certificate from a qualified physician as evidence of injury or illness, indicating such absence was due to illness, in order to qualify for such leave pay.

Subd. 5.

Sick leave allowed shall be deducted from the accrued sick leave days earned by the employee.

Subd. 6.

Sick leave pay shall be approved only upon entry of absence into the Substitute Employee Management System by telephone at 284-SEMS or computer access.

Subd. 7.

Employees are required to give as much notice as possible to their Supervisor when sick leave is to be taken in order to allow time to obtain replacements and to record the absence on the SEMS system.

Subd. 8.

At the time an employee becomes eligible to receive long-term disability compensation as provided in this Agreement, such employee shall continue on long-term disability compensation, under the terms and conditions of the Long Term Disability policy in effect.

Subd. 9.

Non-emergency doctor and dental appointments are to be scheduled after the workday to the extent possible. Paid sick leave for appointments scheduled during the workday is limited to the time of the appointment and travel time to and from the appointment. Employees are expected to work before and/or after appointments scheduled during the workday and are to schedule appointments to cause as little disruption as possible to the workday.

Section 2. Child Care/Parenting Leave

Subd. 1.

A child care/parenting leave may be granted by the School District to an eligible employee to provide parental care to the employee's child, including birth and adoption.

Subd. 2.

An "employee," for purposes of this Section, means a person who performs services for at least twelve (12) consecutive months preceding the request for a leave under this Section, and for an average of twenty (20) or more hours per week during those twelve (12) months.

Subd. 3.

A "child," for purposes of this Section, means an individual less than eighteen (18) years of age, or an individual under age twenty (20) who is still attending secondary school.

Subd. 4.

An employee making an application for child care/parenting leave shall inform the Director of Human Resources in writing of the intention to take the leave at least three (3) calendar months before commencement of the intended leave, except in emergency circumstances.

Subd. 5.

The employee and the School District shall discuss the appropriate timing for a child care/parenting leave considering the availability of substitutes, the duration of the leave and other matters as may be pertinent to the leave. Unless there is a conflict caused by the use of sick leave as set forth in Subd. 6 below, the School District may adjust the proposed beginning and/or ending date of the child care/parenting leave so that the dates of the leave are coincident with a natural break in the school year, i.e., winter vacation, spring vacation, semester or quarter break, end of grading period, end of the school year, or the like. In any case, such child care/parenting leave shall be no longer than six (6) weeks.

Subd. 6.

An employee who elects a child care/parenting leave for reasons of pregnancy may, in addition, elect to use sick leave pursuant to the provisions of Section 1 of this Article to cover the period of disability incident to the pregnancy. After the birth of a child, it is required that a certificate of disability from the employee's physician will be sent to the district Human Resource Department defining the period of disability. In the event that child care/parenting leave is elected, the period of unpaid child care/parenting leave must immediately follow the use of such sick leave and may not exceed six (6) weeks in duration.

Subd. 7.

In making a determination concerning the commencement and duration of a child care/parenting leave, the School District shall not, in any event, be required to:

- a. Grant any leave more than six (6) weeks in duration; or
- b. Permit the employee to return to their employment prior to the date designated in the request for child care/parenting leave.

Subd. 8.

An employee returning from child care/parenting leave shall be reinstated in the employee's former position, or in a position of comparable duties and pay, unless previously terminated. An employee is not entitled to reinstatement if, during the period of leave, the School District experiences a layoff and the employee taking the leave would have been laid off had the employee not been on such a leave. The employee retains all rights regarding layoff and recall as may otherwise be set forth in this Agreement.

Subd. 9.

Failure of the employee to return pursuant to the date determined under this Section shall constitute grounds for termination unless the School District and the employee mutually agree in writing to an extension of the leave.

Subd. 10.

The parties agree that the applicable periods of probation for employees as set forth in this Agreement are intended to be periods of actual service enabling the School District to have the opportunity to evaluate performance. The parties agree, therefore, that periods of time for which the employee is on child care/parenting leave shall not be counted in determining the completion of the probationary period.

Subd. 11.

An employee who returns from child care/parenting leave within the provisions of this Section shall retain all previous experience credit and any unused leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The employee shall accrue additional credit or leave time during the period of absence for child care/parenting leave.

Subd. 12.

An employee on child care/parenting leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the employee wishes to retain, commencing with the beginning of the child care/parenting leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the District pursuant to this Section.

Subd. 13.

Leave under this Section shall be without pay or fringe benefits.

Section 3. Family/Medical Leave

Subd. 1.

An employee, as defined herein, will be granted an unpaid leave of absence for a total period of up to twelve (12) workweeks during any twelve (12) month period for any of the following:

- a. The birth and first-year care of a child;
- b. The adoption or foster placement of a child;
- c. To care for the spouse, child, or parent of the employee if such spouse, child, or parent has a serious health condition; or
- d. A serious health condition that makes the employee unable to perform their job.

Subd. 2.

An "employee," for purposes of this Section, means any individual employed by the School District for twelve (12) months preceding the request for a leave under this Section, and who has worked for at least 1,250 hours during that twelve (12) month period.

Subd. 3.

A "child," for purposes of this Section, means the employee's son or daughter, which includes biological, adopted, foster, step, legal ward, or a child of a person standing in *loco parentis* who is under eighteen (18) years of age, or eighteen (18) years of age or older and incapable of self-care because of a mental or physical disability.

Subd. 4.

"Spouse," for purposes of this Section, means husband or wife, but does not include unmarried domestic partners.

Subd. 5.

A "parent," for purposes of this Section, means the biological parent of an employee or an individual who stood in *loco parentis* to an employee when the employee was a youth.

Subd. 6.

A "serious health condition," for purposes of this Section, means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with inpatient care, or continuing treatment by a health care provider. A "health care provider" is defined as a doctor of medicine or osteopathy, who is authorized to practice medicine or surgery by the State of Minnesota.

Subd. 7.

In the event a leave is requested under this Section, an employee must provide the employer written notice at least thirty (30) days in advance of when the leave is to begin. This written notice must be submitted to the Director of Human Resources if the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or of the employee's family member. If thirty (30) days notice is not practicable, because of a lack of knowledge of approximately when the leave will be required to begin, a change in circumstances, or a medical

emergency, notice must be given as soon as practicable. "As soon as practicable" means as soon as both possible and practical, taking into account all of the facts and circumstances for the individual case, and ordinarily would mean at least verbal notification to the Director of Human Resources within one (1) or two (2) business days prior to when the need for leave becomes known to the employee.

Subd. 8.

In the event that the foreseeable leave is in connection with the care for the spouse, child, or parent of the employee, or a serious health condition that makes the employee unable to perform their job, the employee must make a reasonable effort to schedule treatment, including taking leave intermittently or on a reduced hours basis, as to not unduly disrupt the operations of the School District, subject to the approval of the employee's or family member's health care provider.

Subd. 9.

In the event that the leave is in connection with the care for the spouse, child, or parent of the employee, or a serious health condition that makes the employee unable to perform their job, the School District may require the employee to provide timely certification from the employee's health care provider, or a family member's health care provider, addressing:

- a. The approximate date on which the serious health condition commenced;
- b. The probable duration of the serious health condition including the probable duration of the patient's present incapacity;
- c. The appropriate medical facts, within the knowledge of the health care provider, regarding the serious health condition;
- d. In the event that the leave is in connection with the care for the spouse, child or parent of the employee, a statement that the employee is needed to care for the spouse, child or parent, and an estimate of the amount of time the employee is needed to care for the spouse, child or parent;
- e. In the event the leave is in connection with a serious health condition that makes the employee unable to perform their job, a statement that the employee is unable to perform the functions of their job; and
- f. In the case of certification for intermittent leave for planned medical treatment, the dates on which such treatment is expected to be given, and the duration of such treatment.

Subd. 10.

In the event that the School District doubts the certification provided pursuant to Subd. 9 of this Section, the School District may, in its discretion, require, at its own expense, that the employee obtain the opinion of a second health care provider (other than a School District employee) designated by the School District. If the second opinion provided for herein differs from the certification provided pursuant to Subd. 9 of this Section, the School District may require, at its own expense, that the employee obtain the opinion of a third health care

provider designated and approved by both the School District and the employee, which opinion shall be final and binding on both the School District and the employee.

Subd. 11.

The School District may require, or the employee may elect, the substitution of the employee's accrued paid vacation leave, personal leave or emergency leave for any part of the twelve (12) week period of such leave. Sick leave will be granted for immediate family only as defined by Minnesota Statute Section 181.9413 and/or federal law, provided the employee has unused sick leave available at the time of absence.

In addition, any leave provided pursuant to this Section shall not be in addition to any other child care/parenting leave.

Subd. 12.

In the event that the leave is in connection with a serious health condition that makes the employee unable to perform their job, the School District may require the employee to provide certification from the employee's health care provider that the employee is able to resume work.

Subd. 13.

During the period of a leave as provided for herein, the employee shall retain all seniority, salary and fringe benefits, which had been accrued prior to the taking of such a leave.

Subd. 14.

The School District shall maintain coverage for the employee under any group health insurance plan for the duration of any leave provided for herein at the level and under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of such leave.
