## **Facility Vision Statement**

"We envision safe, inviting, and inclusive learning environments that support a sustainable culture of excellence in 21st Century Learning, while fostering meaningful and collaborative community partnerships."

Developed by Master Facility Plan Task Force (2014-2015)

## **Opening Enrollment 1960-2025**

# Moorhead is a growing community, and our K-8 schools are over capacity.

• In the past five years, nearly 1,300 housing units have been constructed in Moorhead.

 Enrollment growth and all-day kindergarten have created a shortage of K-5 classroom space, impacted support program space, and eliminated flexible learning spaces.

# Safe, Inviting and Inclusive Learning Environments

- Secure entrances at all K-12 schools
- Additional classroom space for our growing K-8
  student enrollment
- Learning spaces for active learning, group activities and projects
- Buildings designed for age-appropriate learning experiences
- Performing arts space for student and community use
