Legally Blonde The Musical JR - Musical Theater Camp

(For students completing grades 5-8 in Spring of 2017)

A Moorhead Community Education and
Fargo Moorhead Community Theatre (FMCT) collaboration

**LEGALLY
BLONDE**
The Musical **JR.**

Students completing grades 5-8 can join us for this adventure in musical theater! Everyone who enrolls in this G-rated musical will be cast. Our four-week program will balance theater education with performance rehearsals. Students will receive voice instruction, develop dance skills, delve into character development, and master theater vocabulary and concepts.

During the rehearsal portion of the day, students will interact through ensemble-building exercises and block, choreograph and sing the elements of their characters.

A parent meeting is scheduled for June 1 from 6-7 p.m in the Moorhead High School Auditorium.

Auditions are the first day of rehearsals on June 5. The program will culminate in performances on June 28 and 29 at 2 p.m. and 7 p.m.

To register, go online at <https://communityed.moorheadschoools.org> and select Courses for Youth and Family then Summer Enrichment Camps or call Moorhead Community Education at 218-284-3400.

Mental Health Matters

One in five youth in our community struggle with their mental health making it difficult to go to school, hang out with friends and participate in community activities. Bullying, peer pressure, doing well in school, family breakdown, poverty, illness . . . children carry far more than the weight of their backpack on their shoulders. And while we cannot always change a child's circumstances, we can reach out to them with understanding and help. We can help them cope with life's ups and downs. For information on mental health resources in Clay County click on mental health services at www.claycountymn.gov

For some children their book bag isn't the only thing weighing them down.

MADE POSSIBLE BY:

Lake Region Arts Council

This activity is made possible by the voters of Minnesota through grants from the Lake Region Arts Council, thanks to a legislative appropriation from the Arts and Cultural Heritage fund.

» **Cyanotypes for Kids (Ages 8-12)**

6/10 @ 10 am-4 pm, Class # AAMR94A

Using basic chemistry and sunlight, students will learn the most common photographic process from the 19th century, cyanotype. Students in this class will learn the difference between opaque, translucent and transparent materials to create one-of-a-kind prints before treating prints with colorful toners. Students will be able to take home all work at the end of class. Lunch is provided.

» **Intro to Photography for Teens (Ages 13-17)**

6/24 @ 10 am-4 pm, Class # AAMR95A

If the smartphone has shown us anything, it's that technology is an integral part of our daily lives, and that amazing photos can be created anywhere and by anyone. In this class, students will use their smartphones, point and shoot cameras, or DSLR cameras to create unique and challenging images. After a series of discussions about photography trends and general rules, students will work one-on-one with the instructor while exploring photographic locations to create exciting images, using the most of whatever camera they have available to them. Lunch is provided.

» **Bookbinding for Teens (Ages 12 and up)**

7/15 @ 10 am-4 pm, Class # AAMR96A

As accessibility to and opportunities with technology become more and more a part of our daily lives, we can easily forget the ability books have to capture our personality, inner thoughts or spontaneous insights. In this class, students will learn four distinct methods to create non-adhesive artistic books, each challenging the traditional concept of "book" and allowing the students to express their individual creative and aesthetic preferences. Students will be able to take home all work at the end of class. Lunch is provided.

» **Drawing Cartoon Characters (Ages 11 and up)**

8/1 @ 6:30-8:30 pm, Class # AAMR103A

Learn to draw cartoon characters using step-by-step techniques that utilize basic forms and contour lines. No previous drawing experience is necessary. Please come with a sketchbook (at least 9"x12"), a No. 2 drawing pencil, and a pencil sharpener. Bring a picture of your favorite cartoon character if you wish. All other supplies will be provided.
